

# **CHURCHILL AUCTIONS SHIPPING POLICY**

We offer an in-house packaging service for many of the items (NOT ALL\*) in our sale. A postal group has been added to each item with a flat fee pricing structure to help smooth the process of buying from afar. This can be seen on the Lot listing on Easy Live Auctions under 'More Information'. All prices are subject to VAT.

\*Some items may be out-sourced to a third-party packing and postal service; please note in these cases your item(s) will take longer to reach you.

(Prices shown are for UK postage with minimal insurance - international postage and lots requiring extra insurance will be subject to higher shipping rates).

You can mix groups; the initial price will always be the highest priced group followed by the lower value lots if appropriate.

Additional insurance on a parcel can be purchased after the sale if needed. If a parcel value or weight is exceeded then the process begins again with a 2nd parcel.

If no group is given then please contact us for a quote.
